

YOU ARE INVITED
to the
**Friends of the Capital Crescent Trail
Fundraiser/Learning Session**
Sunday, June 12
6:00 - 8:00 PM

Do you know just how much the Purple Line will cost Maryland taxpayers for the next thirty years? Will it beggar other transportation projects in Montgomery County and all over the state?

Do you know why alternative Purple Line routes that avoid the Trail completely are also much better for passengers and the environment?

Do you know that the Purple Line will cause problems for schools that lie close to the line, including Rosemary Hills, Sligo Creek, and Silver Spring International?

Do you know that our environmental laws were designed so that citizens can help enforce them, and a lawsuit is a recognized means to do just that?

The Purple Line is NOT a done deal! The lawsuit led by Friends of the Capital Crescent Trail stands on strong grounds. The court could rule as soon as this summer.

But we still need you! Please come, learn more, and donate to sustain this effort with a strong showing in court. **WE CAN WIN with your help.**

RSVP to bethkevles@gmail.com

Where: North Chevy Chase – address to be provided on RSVP.
Dinner and drinks, generously donated by local businesses, will be served.

Donations may also be made through the website:
savethetrail.org

Co-hosts:
